

The small investment a mentor makes in the life of a child exponentially increases the success of a child's future and the success of the community. National Mentoring Month is particularly significant for Big Brothers Big Sisters of New York City because it offers a special opportunity for the organization to raise awareness of the power of mentoring and recruit volunteer mentors, which are critical to its mission of providing children with caring adult role models. By upholding the principles of volunteerism and academics, we continue creating positive opportunities for the next generation.

Mr. President, I urge my colleagues to join me in recognizing the month of January as National Mentoring Month so we may continue to honor the important work that organizations such as Big Brothers Big Sisters of New York City play in making our Nation a better and more prosperous place. ●
